There's an awful lot of smoke from the Philadelphia Eagles camp right now, but it's the kind that you really shouldn't be talking about too much. The buzz surrounds Eagles head coach Chip Kelly. At the same time it's being spread, there are still plenty of Eagles fans who are aware that these rumors have been swirling around for more than a few months now. Some of those fans are still hoping that Kelly will solve many of their problems by getting the Eagles to the playoffs this year. There's no denying that there's a small group of Eagles supporters who are still on the fence about Chip Kelly. They're a group that may seem small, but for Eagles fans they're still very important. Kelly represents hope for a lot of fans that aren't normally hopeful about this team. Fans like me who love the game of football but hate the product this year. Fans like my wife who thinks that Kelly is too passionate and that he will scare his players into giving up on the bad team they've become. And fans like the players themselves. It's kind
