Why Zynga's Stock is Poised to Be Even More Money Maker Than Facebook - esalazar ====== jaekwon I would be pretty concerned if Zynga was able to make more money than Facebook. ~~~ mbateman There are two things about this. First: 1\. The stock is worth a lot more than Facebook's. 2\. We don't know how much Facebook makes. If we knew the number, we could perform a back-of-the-envelope calculation and see whether you're right. However, we do know that the two businesses are complementary: 1\. Facebook is a social network. Zynga is a gaming e79caf774b

Today's News MUSTANG COUNTY — Several people are facing charges after police say they were caught trying to shoplift at a Walmart store in Jasper. MUSTANG COUNTY — A Rhea County man is in the Van Buren County Jail on a warrant charge after being pulled over for failure to yield on North Highway 32. SOUTH COLDWELL, Okla. — Bixby police say a homeowner shot a man at his house Wednesday night. Police were called to the report of a shooting at a home in South Coldwell, located about a half-mile south of the North 25th East Road and Edmondson Highway intersection. KITTY HAWK WYLIE — A Poteau woman is charged with domestic battery in the assault of her boyfriend. The 45-year-old woman was arrested Monday after the couple argued during a drive home from work, and then fell asleep in the car. The couple had been in a relationship for a few months, and she was wearing his shirt and they were returning to her house from his place of work, according to the affidavit. KWTV 11 published the account of the incident that led to the arrest of a 22-year-old man last week on three charges of sexual battery in connection with two cases that allegedly occurred in South McAlester.Q: How to reduce image size without loosing quality in android? I am inflating an image with a specific size (width and height) using that following code... Drawable drawable = getResources().getDrawable(R.drawable.header); ImageView myImage = (ImageView) this.findViewById(R.id.imageView1); myImage.setImageBitmap(Bitmap.createScaledBitmap(drawable.getDrawable(0), 100, 100, true)); But, the bitmap I get after
