A physical simulation model of players is used to create the multiplayer experience, and the animation system is adapted to mimic the real athleticism of the players. The performance-enhancing HyperMotion Technology makes the game feel more realistic and authentic than ever before, while player skills are preserved to provide control of the ball and all real-life movements, behaviour and body shapes. The next generation of FIFA World Club Series will also provide an exciting new and innovative challenge to fans and clubs around the world. Fans can now follow the FIFA World Club Series around the globe and watch from their living rooms on UEFA.com, UEFA TV and the UEFA app. Players will be able to participate in FIFA World Club Series matches live and online, and as part of this award-winning concept, will have the opportunity to interact with their favourite clubs and players. Over the past 12 months FIFA has worked closely with UEFA to make football more accessible, introducing numerous features and enhancements to FIFA World Football, including more tactical options, improved AI and scoring options, all-new tutorials and new Academy stages for young players. "We are excited to bring the community more of the gameplay content and fun of World Football Club Series. The opportunity to bring the series live and to fans anywhere in the world is a really important step for this whole series," said Amy Lewis, Executive Vice President of Marketing, EA SPORTS. "This is yet another exciting new way to be a part of the FIFA World Football family and make football more accessible for people around the world." The launch content of FIFA 22 includes the club matches from the FIFA World Club Series first leg held in the UK. Subsequent FIFA World Club Series games include matches in September 2019, October 2019, December 2019 and February 2020. Additional content will be added to FIFA 22 in subsequent updates. The launch content of FIFA 22 comes with the following clubs: Chelsea FC, Lyon Football Club, Liverpool FC, Manchester City FC, Manchester United FC, Juventus Football Club, PSG Football Club, Tottenham Hotspur FC, AS Monaco FC, FC Barcelona, FC Bayern München, Olympique Lyonnais, FC Porto, R.S.C. Anderlecht, R.S.C. Napoli, Schalke 04, S.S.C. Bari, S.S.C. Napoli, The New York Red Bulls, and West Ham United FC. The first club matches feature Chelsea, Manchester City, Manchester United.

Features Key:

- **HyperMotion®** – Season 4 of the Premier League comes to life. Experience the most realistic kicks, tackles, passes and shots in the world. HyperMotion systems capture the real movements of 5,000 players during 22-hour matches, and deliver unparalleled responsiveness on the pitch. This is an all-new feeling of football, where every small action becomes interactive, challenging, and emergent.
- New depth in Player Progression. Take your club from the lower divisions to the top. Challenge yourself against how quickly you can take the next step.
- Actions matter. Players are now not only reacting but also making decisions through a variety of reactions. Instead of just pressing a button, they can now prevent a pass or an interception by hanging on to the ball or by blocking a shot.
- Tackle new Pass Makers. With a new reactive approach to the offside rule, players can now be offside from non-tackles.
- Added Authenticity on both Ball Control and Passing. Improved player animations, ball physics and positioning make passes and runs more realistic. Above all, you'll feel the intensity of a 22-hour football match.
- An Authentic Stadium. Experience the intensity of a packed stadium with a host of new sounds and sightlines including the new TV screens. Remove the curses in the stands and immerse yourself in the atmosphere.
- All-New International Fans. Become an international football superstar. Play with real-world players, form real-world teams. Express and celebrate your passion for the beautiful game among a diverse cast of new teams, including local clubs in Brazil, Mexico and Russia.
- Different Focus. Make it all about you. Choose the role you prefer: offensive or defensive players will both have their own set of plays and players. And now, you can preview each and every one in Training Mode.
- *FIFA 22 ultimate team* – Carefully master new attributes or simply upgrade to the latest kits. Choose to specialize in pace, strength, height or dribbling.
- New and enhanced Tournament Mode – Organise your club for the entire season and play in front of your adoring fans.
- New Aggressive Play Abstraction – Sit deep and keep possession and
